

DECLARATION

Used Drywall 1990 and Newer

Being disposed/recycled at AC Disposal 34450 Vye Rd Abbotsford V2S 7P6

1. The signer declares that the used drywall is date stamped 1990 or new
2. The signer declares there is no hazardous waste or asbestos with the drywall
3. The signer will pay a fine of \$500.00 plus dump fees if there is drywall that is date stamped pre1990 at AC Disposals discretion. This is for asbestos testing and the segregating of the waste until it is tested but not limited to.
4. If it comes back as asbestos the signer will have to pay the cost of the clean-up, plus 20% coming from or associated with the customer's asbestos waste,
5. AC Disposal Services reserve the right to test all waste coming in for disposal/recycling
6. AC Disposal Services reserve the right to refuse any waste coming to the site for disposal/recycling.
7. Cameras are on site for safety, documentation and security.
